With only one previous owner and low mileage at 9285 miles, this 2024 Peugeot Partner is ready to get to work. This long wheelbase panel van is the BlueHDi 950 Asphalt Long Panel Van LWB Euro 6 (s/s) 6dr derivative, with the Asphalt trim and a 1.5L diesel engine. The vehicle is equipped with several features to make your journeys easier, including rear parking sensors and manual air conditioning with air recirculation. The Eco-LED headlamps with integrated daytime running lamps provide enhanced visibility, and the City Pack with Dynamic Surround View adds blind spot assistance, front and rear parking sensors, and a rear camera. The Comfort Connect Pack further enhances the driving experience with blind spot assistance, front and rear parking sensors, a rear camera, and a heated steering wheel. This Euro 6 emission class vehicle stands out with its fuel economy of 54 mpg, meaning fewer trips to the pump. The low CO2 emissions are better for the environment, and the cargo volume of 3900 litres means you can carry substantial loads. The 101 bhp engine provides ample power for various tasks.
