This is a 2019 Ford Transit 460 Trend, a versatile van with a 2.0L diesel engine and a Euro 6 emission class. Having had only one owner and with very low mileage of just 9360 miles, this Transit is ready for its next adventure. The Trend trim includes a host of features designed to enhance comfort and convenience, such as manual air conditioning and rear air conditioning to keep everyone cool. Manoeuvring is made easier with front and rear parking aid sensors, complemented by front fog lamps for improved visibility. Stay connected on the go with Bluetooth, and enjoy relaxed journeys with adaptive cruise control. This particular Ford Transit stands out with its powerful 168 bhp engine. This ensures a responsive and capable driving experience, making it a great choice. The low CO2 emissions are another key benefit, meaning you can drive with a reduced environmental impact.
